

Selbyville PD – Selbyville FD – Dagsboro PD

May 1 – 20, 2019

Put your spare change toward a great cause! All proceeds from the Penny War fundraiser will go to support the Leukemia & Lymphoma Society, as part of Lauren Murray Simone's #YOLOisBACK Woman of the Year campaign, which is being managed by Jennifer Orendorf Baur. Jenn is helping raise money for LLS in memory of Rhonda Cowan Amendt (Indian River HS class of 1991).

Pennies and bills are "positive." Here's how it works:

- Containers are located at:
 - Selbyville Police Station – 68 Church Street, Selbyville
 - Selbyville Fire Department – 30 N Main Street, Selbyville
 - Dagsboro Police Station – 33134 Main St, Dagsboro
- Each penny in your container counts as one positive point for YOUR department; any bills count the same way (\$1 = 100 points, \$5 = 500 points, etc.).
- Each silver coin in your jar counts as negative points for the OTHER departments (points divided evenly among the other teams). In other words, dropping a dime in your bucket bucket takes 5 points from each of the other 2 teams' totals.
- At the end of the day on May 20th, all change/points will be tallied and the department with the most points will win **bragging rights and treats supplied by Jenn & Lauren's LLS Woman of the Year team!**

Start saving your change—it can make a big difference!
